

Cherwell User Guide

This guide is intended for use at UCCS specifically for the use of the Student Employment Cherwell Portal. This guide will be used in the case of **submitting any type of Student Employment Cherwell ticket** at UCCS.

Note: Cherwell and Internet Explorer do not always play nice. Please use a browser other than Internet Explorer to more easily navigate within Cherwell.

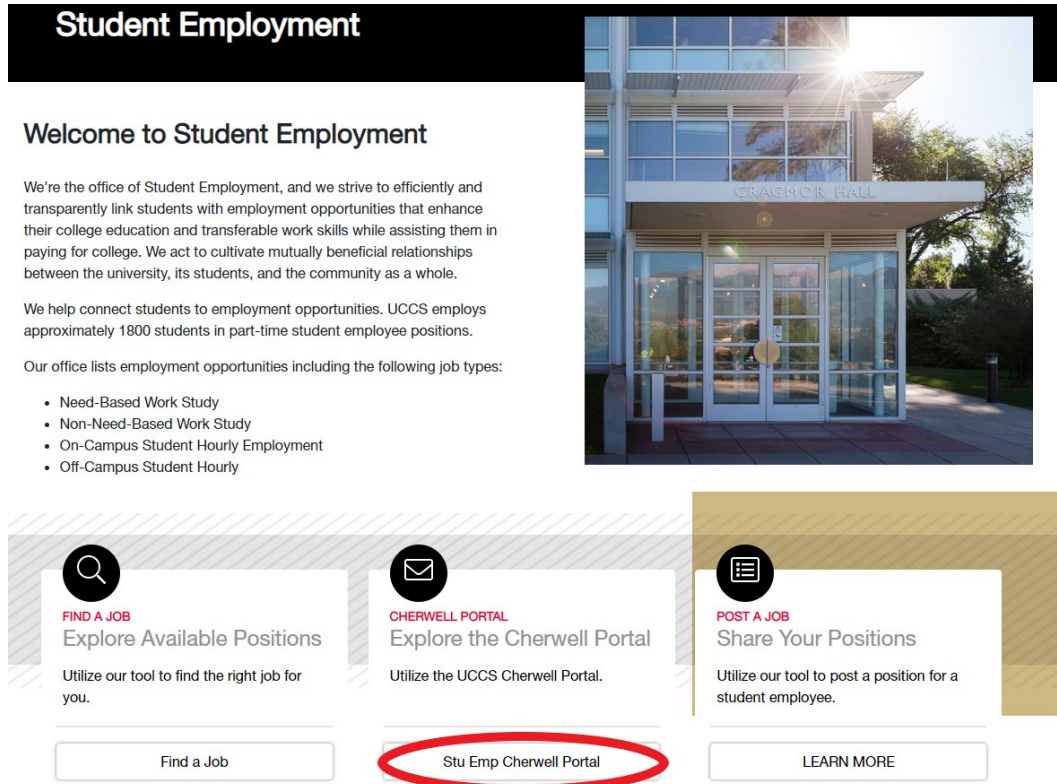

This is an abbreviated guide with information generalized for all ticket types. If you need more step-by-step instructions than what are provided in this guide, please refer to our comprehensive Cherwell User Guide.

A: Logging into the Student Employment Cherwell Portal

1. Navigate to the Student Employment website (stuemp.uccs.edu/) and click on the Cherwell Portal button. You will have to scroll a little bit to get to it.

There's also another button at the very bottom of the homepage.

You can also click on the Find a Job, Student Employees & Employers link at the top of the page. Then click on the button on the right hand side of the page. You can get to this option from any page of the Student Employment webpage.

The screenshot shows the UCSS website header with the logo and navigation links: Current Students, Faculty & Staff, Alumni & Friends, Parents, Give Today, and Apply Now. Below the header is the 'Student Employment' section with a search bar. A red circle highlights the 'FIND A JOB, STUDENT EMPLOYEES & EMPLOYERS' link. Below this are four main categories: Find a Job, Student Employees, Employers, and Hire a Student Employee. Each category has a list of sub-links. On the right side, there are three promotional tiles: 'FIND A JOB', 'STU EMP CHERWELL PORTAL', and 'CONTACT UCSS STUDENT EMPLOYMENT'. The 'STU EMP CHERWELL PORTAL' tile is highlighted with a red border.

2. Login to Cherwell. Click the Login button at the top of the page.

You will use your UCCS username and password.

B: Navigating in Cherwell

You can return to the main page in Cherwell at any time by clicking the Home link at the top of the page. This will always be in the same place no matter what page you are on within Cherwell. (See red circle below)

Student Employment

Welcome to Student Employment

We're the office of Student Employment, and we strive to efficiently and transparently link students with employment opportunities that enhance their college education and transferable work skills while assisting them in paying for college. We act to cultivate mutually beneficial relationships between the university, its students, and the community as a whole.

We help connect students to employment opportunities. UCCS employs approximately 1800 students in part-time student employee positions.

Our office lists employment opportunities including the following job types:

- Need-Based Work Study
- Non-Need-Based Work Study
- On-Campus Student Hourly Employment
- Off-Campus Student Hourly

C: Choosing Your Ticket Type

The Student Employment Cherwell portal is divided into three sections of request types. The first section is Employer links and includes the following ticket types. These are the most commonly used ticket types.

Student Employee Position Offer (SEPO) - Use this ticket to request a student be hired within your department (new hire, rehire, additional job). **Please remember not to proceed with submitting your ticket until after you have received the results of a background check.** If the request is for a new hire, we will not process the request until we have background check results and the student has completed their I-9 employment verification. Please submit individual tickets for each student/position you are hiring. There should be one SEPO attached to each ticket. If you are filling a new 1500 position, please be sure that you have received approval through a Request to Fill Student Faculty (1500) ticket first. For reappointments, amendments, and extensions for 1500 positions, please use this ticket type and submit an updated SEPO. To help ensure we accurately process your request, comments included in the Additional Details box are always appreciated.

Late Pay Requests—Use this ticket to request pay be entered for a student if the deadline for submission of time has been missed or a student did not get paid for a pay period.

Background Check - Use this ticket to request a background check be run on a student. Please submit individual tickets for each student. There should be one Background Check Release Form attached to each ticket.

Wage Change Offer (WCO) -Use this ticket to request a change in the rate of pay for a student. Please submit individual tickets for each student/position for which you are requesting a wage change. Please remember that Promotions and Merit Raises require a current evaluation be included (the WCO and eval can be included as one document attached to the request). All WCOs need to have an effective date equal to the beginning of a pay period.

Termination Notice—Use this ticket to request a student be removed from a position within your department. Evaluations do not need to be submitted with the Termination Notice; however, evaluations need to be current within the personnel file in your office. Please submit individual tickets for each student you are requesting be terminated. There should be one termination notice form attached to each ticket unless you are terminating a student who has multiple positions in your department. In that case you can attach multiple termination forms to a single ticket which clearly distinguish the multiple positions that need to be terminated. Adding a comment in the additional details box alerting us to the fact that the student had multiple positions within your department will also help us accurately process your request.

Change in Funding Request—Use this ticket to request future changes in the speedtype(s) you want your students paid from. The change request can be made for both individual and group requests. Please remember that funding changes need to be effective at the beginning of a pay period. If you need to update funding on past payments, please complete a PET request.

Change in Reports to Request—Use this ticket to request a supervisor change for a student. This can be used for both individual and group requests.

Request to Fill Student Faculty (1500) - Use this request as the first step to hiring a new Student Faculty/1500 Series position. This request will be used to determine if the position requested meets the criteria to be in a 1500 series position rather than an hourly 4106 position and whether or not the proposed payment meets minimum wage standards.

Payroll Expense Transfer (PET) Requests—Use this ticket to request student pay that has already processed be moved from one speedtype to a different speedtype or to request a change to or from work study.

Change in Working Title Request— Use this ticket to request a change to the working title of any of your student employees; particularly useful if Job Data is not reflecting your student's current working title. This can be used for both individual and group requests.

One Time/Additional Pay Request—Use this ticket to request a one-time or additional payment to a student. This ticket may be used if students earned an additional amount for a special project that was not part of their normal duties and was not recorded on their timesheet, or they performed a one-time additional duty and needed to be reimbursed for the time or paid a specific amount for that duty. All one-time/additional pays must meet minimum wage standards.

Overpayment Notice Request—Use this ticket if a student was overpaid during a pay period.

Termination for Cause—*Use this ticket only with Student Employment permission.*

A Termination for Cause will only be completed in the case of egregious behavior on the part of the student. Please call Shannon Cable at 719-255-3055 to discuss your situation prior to submitting a Termination for Cause ticket.

The Student Employee Links include the following ticket types. Many of these return a system-generated response with an answer for the situation presented. If the system-generated response does not solve the issue, please contact the Student Employment Office at 719-255-3454 or stuemp@uccs.edu.

MyLeave (Bi-weekly timesheet) - Options include Set-up Preferences, Change Preferences, and General. If a student has never entered time or needs to change their preferences due to timesheet submission issues, either of these radial buttons will provide a system-generated email with steps to take to set-up or change their preferences. If there is some other question that needs to be asked regarding MyLeave, the general radial button can be used but does require additional information be provided. Please be sure to fill in the additional details with your question or we will not know what question is being asked.

Direct Deposit—Options include Set Up, Changes, and General. The Set Up and Changes radial buttons will provide a system-generated email with steps to take to set up or change their direct deposit. If there is some other question that needs to be asked regarding Direct Deposit, the general radial button can be used but does require additional information be provided. Please be sure to fill in the additional details with your question or we will not know what question is being asked.

W-4—Options include Set Up, Change, and General. The Set Up and Change radial buttons will provide a system-generated email with steps to take to set up or change the W-4. If there is some other question that needs to be asked regarding the W-4, the general radial button can be used but does require additional information be provided. Please be sure to fill in the additional details with your question or we will not know what question is being asked.

W-2—Options include Active Employee, Inactive Employee, Address Change, and General. The Active and Inactive Employee radial buttons will provide a system-generated email with information regarding the W-2. The Address Change radial button requires information needed to update the address in HCM so that the W-2 can be sent to the correct address. The General radial button, includes the address change information as well. If used to ask a different question, please be sure to include comments in the additional details box so we know what question is being asked.

Work Study Appeal—This ticket provides a link to the Work Study Appeal form. Students can access the form via the link and submit their appeal directly from the form. If they have other questions regarding a work study appeal, they will need to include comments in the additional details box so that we can answer their question(s).

Paycheck Deduction—Options for this ticket include Understanding a Deduction and Incorrect Deduction. Once a radial button is chosen there is specific information requested to help find the information and answer the question. Please be sure to provide comments in the additional details box so that we can answer specific questions.

Paycheck Issue—This ticket includes a form to help us find the information in the system to address any questions. Please be sure to provide comments in the additional details box so that we can be certain we are answering the specific questions regarding that paycheck.

Name Change—This ticket provides a system-generated response letting students know what steps need to be taken in order for us to complete a name change. This does include students bringing new documentation to the Student Employment Office in Cragmor Hall room 104.

Grievance—This ticket provides a way for students to contact our office if they have a grievance. Only Student Employment staff have access to these tickets and will respond as needed to any grievance tickets received.

The Information Links include the following ticket types. These tickets are often used by both students and faculty/staff.

Pay Day—The Pay Day ticket provides a system-generated response with a link to the payroll calendar. If you have a more specific question, perhaps use one of the Student Employee Links surrounding pay or use the Other ticket.

SEAN—The SEAN ticket asks you to identify yourself as an Employer or Student and then to provide a description of the issue you are having so that we can address that specific issue. The better the description of the issue, the quicker we will be able to address the issue.

Other—Use the Other link for any other requests that do not fit within one of the other links. Please be sure to include comments in the additional details box so that we can more quickly and accurately address your needs.

Ticket Type	Documents Needed	Comments
Payroll Expense Transfer Requests	PET Form	Please separate request by pay period as we have to know the associated pay period(s) to ensure we are moving the correct payment.
Change in Working Title Request	Cherwell Form or Multiple Change in Working Title Excel Spreadsheet	For single, use the form in Cherwell. For multiple, use the Excel spreadsheet and choose the Yes radial button to submit multiple requests simultaneously.
One Time/Additional Pay Request	Cherwell Form	The Additional Pay Form HR uses can also be attached but is not necessary in most cases.
Overpayment Notice Request	Cherwell Form	
Termination for Cause	Termination Notice Supporting Documentation	Prior to submitting a Termination for Cause, please be sure to discuss the situation with Shannon Cable, Student Employment Director, at 719-255-3055. These are only completed in the case of egregious behavior.

As a reminder, all new hires and some rehires do require an I-9 employment verification be completed. Please send students to the Student Employment office with the documents required for the I-9 verification. A list of acceptable documents can be found through the following link:

<https://www.uscis.gov/i-9-central/acceptable-documents/list-documents/form-i-9-acceptable-documents>

Note: As of March 2020, due to COVID-19, our office is now conducting I-9s by appointment. Please have your student contact our office at stuemp@uccs.edu or 719-255-3454 to schedule their I-9 appointment. Our office is also reaching out directly to students once we receive the SEPO if they have not already scheduled or completed their I-9.

E: Accessing Documents to Complete

If you need to complete a document to attach to your ticket, there are links to the documents within each ticket, as shown below.

(Do not use quotations in the file name)

Additional Details:

These documents can also be accessed on the Student Employment website on the Forms page: stuemp.uccs.edu/forms. Both Cherwell and our website will always have the most up-to-date form. Please check them to be sure that you are using the most recent version.

Regardless of how you access the form, the most important thing to note is that you do need to download the form before filling it out. If you open the form and just start typing, the information will not save when you save the document. **Note:** When saving your documents, please do not use quotation marks in the file name. For some reason, Cherwell will not allow us to open documents with quotation marks in the file name.

F: Attaching Completed Forms

Please be sure to complete your form, including signatures if needed, before you attach your document to your Cherwell ticket. If we receive an incomplete or unsigned form, we will delay processing your request until we receive an updated form.

Once you have completed any necessary paperwork, attach the documents to your Cherwell ticket using one of the options shown below. The paperclip icon will always be at the top of your ticket. A link to attach any required documents is generally next to the link to access the needed form further down on the Cherwell ticket.

Additional Details:

You can either drag and drop your file or you can click the Select Files button to find your saved file. When you have selected the file to attach, you will see the file you are attaching below the Select Files button (see second image below). Click the Submit button to attach your document.

Repeat this step until all applicable documents have been attached.

You can confirm that your documents have been attached by checking the paperclip icon. You can also open any attachments to be sure that you have attached the correct documents and that they are completely filled out. Be sure you have your pop-up blocker turned off if you are trying to open attachments.

If you check your documents before submitting the ticket and see that you attached the wrong document, please attach the correct document before you submit. If you have already submitted, please refer to [Section I: Editing a Ticket](#) to attach the correct attachment to your ticket.

With the recent Cherwell upgrade, users can now delete any incorrect attachments. Follow the same steps described on the previous page to open and check a document but select Delete instead of Open. Cherwell will ask you if you are sure you want to delete. Once you confirm, your document will no longer be attached to the ticket.

The screenshot displays a web application interface for a 'Student Employment' ticket. At the top, there is a navigation bar with 'Home' and 'My Items'. Below this is a toolbar with icons for 'Save', 'Cancel', 'Refresh', 'Delete', and 'Attach (1)'. The 'Attach (1)' button is highlighted with a red circle, and its dropdown menu is open, showing a file named 'Wage Change Offer_1092019'. The menu options are 'Attach file...', 'Open', and 'Delete'. The 'Delete' option is highlighted with a yellow background. Below the toolbar, the page title 'Student Employment' is visible. A 'Submit' button is located below the title. The main content area is titled 'Details Required to Complete the Request' and 'Student Employment Position Offer (SEPO)'. It contains instructions for filling out the SEPO form, a note about background checks, and a form for 'Student Name'. There are also links for 'Link to SEPO Form', 'Attach filled', 'Link to Faculty Pledge', and 'Attach signed'. A confirmation dialog box is overlaid on the page, asking 'Are you sure you want to delete Wage Change Offer_1092019?'. The dialog has a close button (X) in the top right corner and two buttons at the bottom: 'No' and 'Yes'. The 'Yes' button is highlighted with a red border.

G: Completing Required Information on the Ticket

Nearly all Cherwell tickets require some information be provided before you can submit a ticket. On the majority of tickets this is the Student Name box. Please remember that the Student Name is the preferred name of the student in CU-SIS, which may not be the same as their given name as shown in HCM. If you are having trouble finding the student by their name, you can enter the student's email address in the Student Name box. You can also click the button highlighted below to search for the student name. If you are still having trouble, you can contact the Student Employment office at 719-255-3454 and we can help troubleshoot or you can simply submit your paperwork to stuemphep@uccs.edu, which will create a Cherwell ticket for you.

Student Name: 

For some tickets, the information we need to process the request is provided by filling out the Cherwell ticket. Required fields will be colored red until you have provided information in those fields; white boxes are either non-required or will autofill when you enter information in another box. The below example shows how a form will look before and after being filled out. You will be able to submit the form as long as all boxes are showing a white fill. The student name may not change to white fill until after the ticket has been saved. If the student name is incorrect, you will receive a message that the ticket cannot be saved.

Once submitted, you will receive a confirmation email that provides you with your ticket number, the type of ticket that was submitted, and copies of the documents you attached to the ticket. It is a good idea to keep these emails as you can ask questions regarding a ticket by replying to any email associated with that ticket. **TIP:** Record the Cherwell ticket number on your copy of the submitted paperwork. This will make finding a specific ticket easier later on.

Once processed, you will receive a resolution email with important information regarding the completion of your request.

I: Editing a Ticket

If at any time we have questions about your request or need more information to complete your request, we may call you or we will send you an email through Cherwell. You have two options on how to get us the information we need.

1. You can simply reply to the email sent from Cherwell and attach any new documents to or answer the question in your reply email. This will automatically attach the documents to your case in Cherwell or provide a journal note with your reply answer. This will work for both open and closed cases. If you reply to a resolution email, the ticket will be re-opened in Cherwell.
2. The other option is to use [Section B: Navigating in Cherwell](#) to go into My Items, find the ticket that needs additional information, and choose to Edit that ticket. This will only work with Open SE Case Tickets. If a ticket is closed, it cannot be edited.

The screenshot shows the Cherwell user interface. At the top, there are navigation links for 'Home' and 'My Items'. Below this is a toolbar with various icons: 'Edit' (circled in red), 'Save', 'Cancel', 'Refresh', 'Delete', 'Attach (0)', and navigation arrows. The main header displays 'Student Employment - SE Case ID: 30241'. The main content area is divided into two sections. On the left, there is a 'Short Description' field containing 'SE Wage Change Offer Inquiry' and an 'Add Comment' button. Below this is an 'Additional Details' text area. On the right, a modal window displays the message 'Your HR Case will be assigned shortly.' along with 'Owner: Unassigned' and 'Team: Student Employment'.

You can access documents/attachments from both Open and Closed tickets. You will only be able to delete or add documents on Open tickets.

Be sure to resave or resubmit after you have made your edits. Regardless of whether you reply to an email or edit the ticket in My Items, we will be alerted to the fact that changes were made to the ticket by the ticket moving to a “reopened” status.

J: Troubleshooting

If you are unable to access Cherwell, are having trouble finding the student in Cherwell, or are uncertain what ticket type to submit, you can send an email to stuemp@uccs.edu. This will automatically create a generic ticket. We try to process these tickets as quickly as other tickets. However, it is likely that these tickets could be delayed in processing as we may need to request additional information from you.

K: Student Employment Office

Student Employment is here to help. If you have questions about any step in this process, please contact Student Employment at (719) 255-3454, stuemp@uccs.edu, or visit us in Cragmor Hall Room 104.
