

Submitting a ticket—Change in Funding Request

Use this ticket to request future changes in the speedtype(s) you want your students paid from. The change request can be made for both individual and group requests. Please remember that funding changes need to be effective at the beginning of a pay period. You can check the payroll calendar here: <https://stuemp.uccs.edu/payroll-calendar>.

If you need to update funding on past payments, please complete a PET request.

For an individual request, simply fill out the form shown on the ticket. To request funding updates for multiple students, you can complete the spreadsheet and attach it to the ticket. There is a link to the spreadsheet within the ticket but the form can also be accessed on the Student Employment forms page: <https://stuemp.uccs.edu/forms>.

Step 1—Open the Change in Funding Request ticket type

Choose the **Change in Funding Request** ticket type on the Cherwell home page.

The screenshot shows the UCCS University of Colorado Colorado Springs website. The navigation bar includes 'Home' and 'MyItems'. The main heading is 'Student Employment Portal'. Below this is a large image of a modern glass building. Underneath the image is a table of links organized into three columns: Employer Links, Student Employee Links, and Information Links. The 'Change in Funding Request' link in the Employer Links column is circled in red.

Employer Links	Student Employee Links	Information Links

Step 2—Select Which Type of Request (Single or Multiple)

Select the radio button to indicate whether this is a single or multiple request. “No” will be the default indicating that this is a single request. Select “Yes” if you need to make a multiple request.

Put your cursor in the employee name box. Then either type the student name (as the name is in CU-SIS) or use the search button (see red circle below) to look up the student. We ask for this information so that we can search within Cherwell for requests specific to a student.

Tip: If you are having trouble finding the student, type their email address in the employee name box. This will usually match the student in the system.

Additional Details:

Fill in the Position Number, new Speed Type(s), and choose the Effective Date from the drop down. If you need to split pay between two Speed Types, you can add both Speed Types and the percentage to be paid from each. If you are splitting between more than two Speed Types, please add the information needed for any additional Speed Types in the Additional Details box. The Percentage box is not required so if you enter only one Speed Type and nothing in percentage, we will assume you want 100% of the pay from the one Speed Type listed. Additional Details can be added but are not required to complete your request. Skip to [Step 5 - Submitting Your Ticket](#).

Step 3b—Completing the Form for a Multiple Request

1. Select the “Yes” radio button at the top (red box below).
2. Enter your department number or select your department name from the drop-down. Once you enter information in one of these boxes, the other will auto-populate. We ask for this information to help complete the request and to be able to search within Cherwell for requests specific to a department.
3. Fill in the number of students for which the request is being made (blue box below). We ask for this to help us provide better statistics and to track how many of these requests we are completing.
4. If you have already completed the worksheet, skip this step and jump to [Step 4-Attaching Your Documents](#). Otherwise, open the form using the link (purple circle and square below). This form can also be accessed on the Student Employment forms page at <https://stuemp.uccs.edu/forms>.
