

Submitting a ticket—Request to Fill Student Faculty (1500)

Use this request as the first step to hiring a new Student Faculty/1500 Series position. This request will be used to determine if the position requested meets the criteria to be in a 1500 series position rather than an hourly 4106 position. There is a link to the form in the ticket.

It can also be found on the Student Employment website: www.uccs.edu/stuemp/forms.

Step 1—Open the Request to Fill Student Faculty (1500) ticket type

Choose the **Request to Fill Student Faculty (1500)** ticket type on the Cherwell home page.

Step 2—Completing the Form

1. If known, type in the full name of the student you plan on hiring into the requested position. This is not a required field so can be left blank if you are requesting a position but do not know who will be filling the position. Providing the student name helps us match RTFs with SEPOs if the Request to Fill Ticket number is not included on the SEPO ticket when submitted.
2. Type in or select from the drop-down either your department name or department number. Filling in one box will auto-fill the other box.
3. Choose your requested job code from the drop-down.
4. If you have already completed the worksheet, skip this step and jump to [Step 4-Attaching Your Documents](#). Otherwise, open the form using the link (red circle below). This form can also be accessed on the Student Employment forms page at <https://www.uccs.edu/stuemp/forms>.

You can either drag and drop your file or you can click the Select Files button to find your saved file. When you have selected the file to attach, you will see the file you are attaching below the Select Files button (see second image below). Click the Submit button to attach your document.

Repeat this step until all applicable documents have been attached.

You can confirm that your documents have been attached by checking the paperclip icon. You can also open the attachments to be sure that you have attached the correct documents and that they are completely filled out. Be sure you have your pop-up blocker turned off if you are trying to open attachments.

If you check your documents before submitting the ticket and see that you attached the wrong document, please attach the correct document before you submit. If you have already submitted your ticket, please refer to the **Editing a Ticket** section of the **Abbreviated User Guide** to attach the correct attachment to your ticket.

With the recent Cherwell upgrade, users can now delete any incorrect attachments. Follow the same steps described on the previous page to open and check a document but select **Delete** instead of **Open**. Cherwell will ask you if you are sure you want to delete. Once you confirm, your document will no longer be attached to the ticket.

The screenshot displays a web application interface for a ticket system. At the top, there is a navigation bar with "Home" and "My Items". Below this is a toolbar with icons for "Save", "Cancel", "Refresh", "Delete", and "Attach (1)". The "Attach (1)" button is highlighted with a red circle. A dropdown menu is open, showing "Attach file..." and a list of attachments, including "Request to Fill Student_Faculty_1092019". A "Delete" button is visible next to the selected attachment. Below the toolbar, the page title "Student Employment" is visible. A "Submit" button is located on the left. The main content area is titled "Details Required to Complete the Request" and contains a section for "Request to Fill Student Faculty Position (1500)". Below this, there is a paragraph of text and several input fields for "Full Name:", "Department:", "Department Number:", and "Requested Job Code:". There are also links for "Link to Form" and "Attach Form". A text area for "Additional Details:" is present.
