**JUST SO YOU KNOW...**

The New SEAN works a bit differently than the past version. Because of this, on campus employers who have been enrolled in the University will need to login with their UCCS username and unique password, rather than logging in with their UCCS email and unique password. If you are new to SEAN and have been enrolled the same process will apply for you when creating your account. All on-campus departments still live within the system, you will not have to create a department.

If you are an off-campus employer, **please search for your employer first** to be sure we did not move your employer into the new system. If not, then go ahead and register your employer, and then yourself as a contact for that employer.
1. Click under the login fields to register.

If you are an on campus employer and already registered, you do not need to complete registration again. If you are registering for the first time you will be asked to enter your email and create a unique password before moving forward.

2. Search for your department using

Once you select your org, press continue to move on. If your org is not listed, do not add it. Contact us.
3. Fill in your contact information and click save.

4. Your Profile will be submitted to our office for approval and you will be able to start posting jobs.

5. You will be redirected to your Dashboard which is a shortcut to view all positions and events.

You will receive an email from our office once your registration has been approved. **You may still submit jobs for posting while your registration is pending.**
1. Click under the login fields to register.

If you posted a job on the old SEAN’s Place before 11/10/2020, you have been registered as an employer by our office. Please contact our office for your username and instructions to reset your password.

2. Search for your organization using your com-

DO NOT RE-ADD YOUR EMPLOYER IF IT ALREADY EXISTS. YOU WILL HAVE THE CHANCE TO REGISTER AS A CONTACT FOR YOUR ORGANIZATION IN THE NEXT STEP. IF YOU ARE ALREADY REGISTERED AS A CONTACT, PLEASE CONTACT OUR OFFICE FOR YOUR LOGIN INSTRUCTIONS.

If you can’t find your organization, click, Add Company to register as an employer.
3. Fill in your contact information and click save.

4. Your Profile will be submitted to our office for approval and you will be able to start posting jobs.

5. You will be redirected to your Dashboard which is a shortcut to view all positions and events.

You will receive an email from our office once your registration has been approved. **You may still submit jobs for posting while your registration is pending.**
1. You can add a job directly from the Dashboard or go to the Job Postings tab.

2. Enter position information.

As of 5/30/2021 all job descriptions for UCCS departments MUST include the following information:

- This position is eligible for sick leave under the Colorado Healthy Families & Workplaces Act
- The University of Colorado Colorado Springs is committed to providing a safe and productive learning, living and working community. To assist in achieving this goal, we conduct background investigations for all prospective applicants being considered for employment. Background investigations include a criminal history record check, and when appropriate, a financial and/or motor vehicle history check.
- UCCS is an equal opportunity and affirmative action employer. In compliance with applicable laws and in furtherance of its commitment to fostering an environment that welcomes and embraces diversity, the University of Colorado does not discriminate on the basis of race, color, creed, religion, national origin, gender, disability, age, veteran status, sexual orientation, gender identity or expression, genetic information, political affiliation or political philosophy in its programs or activities, including employment, admissions, and educational programs.
4. Enter posting information and select how you want students to apply.

Selecting both applicant types will allow both work study and non-work study students to...

5. Select which documents you will allow or require and then hit save to submit your job posting.

- The application deadline will auto fill for 90 days past the posting date, you can edit this if you’d like. The delivery of Job Posting Applications will give you the option on how often you would like to receive applicant notifications.
6. At the top of each job listing, you will see Control Information and your job’s status.

You will receive an email from the system once your job has been approved and posted.

7. View your jobs in the Dashboard or the Job Postings tab.

Click the job title to view or edit the job posting.

8. Edit your posting by clicking on the tabs at the top for each section.

NOTE: You cannot edit a closed job. To repost a job that has been closed previously, copy the job using instructions on next page.
9. Close your job when you are ready by viewing the “Job List” and clicking Close Job. 

10. Re-post a previous position by clicking on the job you would like to re-post and clicking “Copy Job” on the left hand side under Page Functions. 

11. Once you have copied the job, review all information. Be sure to update the post and expiration dates. 

Your new job will have a pending status until it is approved by the Student Employment Office.
1. When a student applies to your position, you receive an application that will include any required documents for the position. You can view those here.

2. Select the student application you would like to view by clicking on the student’s name.
3. Selecting a student will allow you to view any documents the student submitted, email them, or forward the information to someone else in your department.

4. You can send a personalized email straight from the student application.

Your email and the student’s information will auto-fill, in this example it was redacted for privacy.
5. To Report a Hire, under the filled category in the activity center, mark yes and email stuemp@uccs.edu with the student name and job information. If your position is still open and you are done hiring, make sure to close it as well.
